(MOU to be signed Thursday before Commencement). The signing ceremony will be between San Diego State University/Imperial Valley, Imperial Valley College, and the Imperial County Office of Education.

Doctor David Pearson, Dean of the Campus at SDSU/IV Campus, says the memorandum of understanding establishes the Imperial Valley University Partnership. He says it is the next phase of the Freshman Program, which he says is a major step toward making affordable, accessible, high quality university education a reality for students in Imperial Valley. The signing ceremony will be held Thursday at 3:00 pm, in the Science Building Lecture Hall at IVC. Outgoing SDSU President Stephen Weber is expected to attend the ceremony, along with Ed Gould, Superintendent/President of IVC, Anne Mallory, Superintendent of the Imperial County Office of Education, and Dr. Pearson. Parking for the MOU signing will be in parking lots G, H, and I. Attendees are being asked to use Drive 2 off Old Highway 111 to access the parking lots. Signs will be posted.
